ABOUT THE COMPANY

Chaukhambha as a Publisher of Ayurveda books has been well-known and profoundly respected throughout the Ayurveda fraternity across the world. In the 130 years of its legacy, Chaukhambha has published over 2000 books that now circulate the globe, propagating the message of our ancient science, Ayurveda.

Celebrating this rich legacy, we wanted to extend ourselves from mere tools of teaching to tools of healing. Hence, born from the roots of ancient and authentic wisdom, we feel immense pride in presenting to you, 'Chaukhambha Healthcare'– a brand of authentic Ayurveda medicines.

Through years of planning and toil, we wish to build our own space in the sphere of medicine. Chaukhambha has served the students of Ayurveda for 130 years by continually educating the fraternity through its books, and now, with our latest endeavour, we wish to serve Vaidyas who intend to heal with Ayurveda.

The knowledge from our books comes alive to bridge the Vedic wisdom with the needs of today's Vedic healing in the form of Chaukhambha Healthcare – a vision woven with tradition, trust, and a commitment to Ayurveda.

**समदोषः समाग्निश्च समधातुमलक्रियः।
प्रसन्नात्मेन्द्रियमनाः स्वस्थ इत्यभिधीयते॥**

जिस व्यक्ति के दोष, वात, पित्त, कफ, अग्नि रसादि धातु सम अवस्था में स्थिर हो, मल मूत्रादि क्रिया ठीक हो, शारीरिक क्रियाएँ सामान्य हो, जिसकी इन्द्रिय और आत्मा प्रसन्न रहें वही व्यक्ति स्वस्थ कहलाता है।

It is in perfect health when the three Doshas, Agni, Dhatus and all the physiological excretory functions are in perfect order with a pleasantly disposed and contented mind, senses and spirit.
